| <b>Purpose statement</b>               | This module describes the skills, knowledge and attitudes required to integrate the workplace. At the end of this module, participants know how to apply for and present themselves for employment. They demonstrate good time management and show up for work on time. They demonstrate behavior and attitudes that are appropriate for the workplace and understand that workplaces have policies and procedures that need to be followed. They take initiative and responsibility for their own work and know how to work under and respect supervision. |     |                      |                      |     |                   |
| <b>Learning to be assumed in place</b> | Basic of Telecommunication, Basic of electronics, sound system installation, video system installation.                                                                                                                                                                                                                                                                                                                                                                                                                                                     |     |                      |                      |     |                   |

### Learning outcome 3: Analyze own professional gaps in line with industry demands

**Learning hours: 8**

#### Indicative content

- **Identification of professional gaps in own carrier**

- ✓ Key terms
  - ✚ Professional gap
  - ✚ Labor market
- ✓ Labour market Demand
  - ✚ Labour market role in training
  - ✚ Labour market opportunities
- ✓ Techniques of identifying professional gaps
  - ✚ SWOT Analysis
  - ✚ Benchmarking competences

✚ Identify important skills

- **Establishment of strategies to fill the professional gap**

- ✓ Strategies to fill the professional gaps
  - ✚ Online Training
  - ✚ IAP
  - ✚ Volunteering
  - ✚ Attending seminars
- ✓ Market opportunity
- ✓ Matching strategies with labour market opportunities
  - ✚ Identifying occupational trends
  - ✚ Anticipating and matching skills and jobs

- **Selection of relevant placement**

- ✓ Identifying IAP stakeholders
  - ✚ Relevant workplaces
- ✓ **Responsibilities of the industrial attachment's stakeholders**
  - ✚ Responsibilities of trainer
  - ✚ Responsibilities of learner
  - ✚ Responsibilities of host Industry
  - ✚ IAP placement process
  - ✚ Select Relevant workplaces
